

MARTIN VAN STADEN

3rd Year student (Bachelor in Computing)

☎ 061-838-3270

✉ m.vanstaden2005@gmail.com

📍 La Colline, Stellenbosch

ABOUT ME

Driven by results and constant improvement in both knowledge and capability. Very passionate about statistics, data management, and data analytics. Thrives on problem-solving and overcoming challenges, especially in an interdependent team with the same goals and motivations. Good work-life balance while still maintaining high standards. Full commitment regardless of my role or responsibilities, whether that is to manage or to execute. My greatest strength is always keeping my expectations realistic while still exceeding others'.

EDUCATION
